2nd Prize: \$1000 Scholarship

3rd Prize: \$750 Scholarship

Purpose:

Family Farm History Foundation was founded in 2013 with the mission to capture and preserve the past, present and future of farms across the United States. To capture this history, we ask for your help. Chapters across the state of Iowa will compete to see who can contribute the most to the preservation of farm history through our website.

Requirements & Rules:

Participating chapters will submit stories to our website through the “Share Your Story” form. Submissions should include the history of the farm and the family that lived and worked there, along with any details that add personality and uniqueness to the story of that farm. Students may write their stories as a paper, short article or video. The entire form must be complete prior to submitting.

Under “Shared By”, please enter the name of the student or advisor submitting the story.
Under “organization”, please enter which chapter you are from.

The decision on who will receive the top three spots will be decided upon by the Family Farm History Foundation board. They will base their decision on several factors related to the quality of documentation, storytelling, photos and videos.

Applications are due by Friday, January 31, 2020. Late applications will not be accepted. Contest results will be announced on Friday, February 21, 2020 via email and on our website.

Scholarship prize money shall be used by winning chapters to further student education.
